

Learning Difficulties

Clinical Supervision Group

Ububele is offering a specialised supervision group for clinicians working with children and young people with Learning Difficulties and Complex Needs.

This workshop is led by Eleni Zacharia

Eleni Zacharia, is a child and adolescent psychotherapist, with a special interest and expertise working with families and children with disabilities and autism. She has taught both Infant Observation and Work Discussion at the Tavistock Clinic and the Anna Freud centre. She worked at MOSAIC, a specialist Child and Family Clinic in Camden, dedicated to working with children and families with complex needs and disabilities. She currently lives in Athens where she is in private practice. She teaches internationally and runs an Infant Observation group with Graham Music in Istanbul.
